

SPENCERWORKS™

Where tradition meets innovation.

Spencerworks Historic Replica Storm Hangers

Spencerworks exclusively manufactures these 1901 replica hangers. They are a heavy 16 gauge steel laser cut for clean smooth edges and press formed in USA. Comes either unfinished oiled steel or powder coated black with two levels of sheen available. Mounting screws included are 6 x 3/4 in Phillips or slotted. Powder coating is available also for mounting screws.

PRICING: Hangers are priced by sets. A set is comprised of two pair (left side & right side) of hangers and 8 mounting screws. Thus a set will hang one window. Phillips head or slotted head mounting screws are offered-choose when ordering.
